Responsive to the Office Action dated September 28, 2005, the Applicant submits the following amendments and remarks.

SUMMARY OF TELEPHONE INTERVIEW

A telephone interview was conducted on November 16, 2005 between Steven W. Smith, Patent Examiner Robert May, and Supervisory Patent Examiner Sandra O'Shea. The parties discussed two issues: (1) whether the cited reference Blau et al. (US 3,030,944) is analogous art, and (2) whether the cited reference Held (CH 673517 A5) discloses the final claim limitation of claim 1. SPE O'Shea was receptive to Applicant's arguments and requested more time to consider them.
